PRINT MY WALL				

reinventing  
wallpaper!

Custom printed wallpapers are a great way to transform any home, retail or commercial interior. The eye-catching printed fabric is a fire-retardant wallpaper that is paper based with a light textured surface, and installs like conventional wallpaper.

Stuck for ideas? You can choose from over three million images in our picture gallery.

*Print My Wall* is the unique solution for your unique wall!

*Print My Wall* products are unique in that they are fully customisable and personalised, allowing infinite design possibilities.

We will digitally print your images, artwork, photography, logo and graphics onto commercial quality wallpaper. Express yourself with wall art that says something about you!
